STIPULATION BY AGENT

A. Laurel C. Bragg, ("licensee") hereby stipulates to the payment of a fine in the total amount of \$ 250 based on the following facts which are hereby acknowledged. Licensee further stipulates and agrees that she will comply with Washington insurance laws and regulations in the future.

1. The Commissioner sent licensee written inquiries on or about July 31, November 8, and December 13, 2001. These inquiries related to the business of insurance. Licensee did not respond to any of them. Each such failure to respond promptly in writing violated RCW 48.17.475. These failures prompted the issuance of an order to revoke licensee's license effective February 13, 2002.

2. Licensee contacted the Commissioner's office and as a result of this contact, an agreement was reached to pay the fine in lieu of revocation. On March 14, 2002, licensee submitted fingerprint cards that had been requested in the previous three letters.

The licensee has engaged in practices that are not in accord with the standards set out in the insurance code of Washington. Accordingly, the licensee enters this Stipulation to the following Order voluntarily and with the understanding that such fine is in lieu of any suspension or revocation of the licensee's license for such conduct. The facts described above, and the fact of this stipulation, may be considered by the Commissioner in any future administrative actions regarding licensee.

Signed this 20th day of March, 2002.
